Executive Director Order # 2 FY 2020

To: County Jail Administrators
County Juvenile Detention Facility Administrators

From: Camille Cain, Executive Director

Subject: Youth transfers

Date: April 8, 2020

On April 1, 2020, I issued an Order related to youth transfers from certain county-operated facilities. In that order, I required temporary transfer holds for any youth coming from a county facility where staff or youth have tested positive for COVID-19. This hold is in effect until an investigation is completed regarding whether the youth had any contact with an infected person.

In addition to the April 1st Order, effective immediately, TJJD will place a temporary transfer hold on any youth who is transferred to a facility from a facility with a positive COVID-19 case. This temporary hold will be in effect for 14 days after the arrival of the youth to the unaffected facility, unless the youth begins to show any symptoms related to COVID-19, an investigation concludes the youth had not contact with any infected person, or the youth otherwise tests negative for COVID-19.

For any questions regarding this order, please contact Deputy Executive Director for Probation Services Louis Serrano at louis.serrano@tjtd.texas.gov, or (512) 917-0985.

This order will remain in effect until it is rescinded.
